Gall anfon eich plant i ddysgu iaith newydd yn dair oed swnio fel tasg frawychus, yn enwedig os ydych chi o gefndir di-Gymraeg. Fodd bynnag, o'n profiad ni, gallwn eich sicrhau bod anfon eich plant i ysgol gynradd cyfrwng Cymraeg yn rhoi boddhad mawr ac yn rhoi set o sgiliau iddynt a fydd yn eu rhoi ar y blaen i'w cyfoedion yn y dyfodol.
Mae byw yng Nghymru yn cynnig cyfleoedd gŵych i bawb, ond gall bod yn ddwyieithog wneud cymryd rhan yn y cyfleoedd hynny'n fwy hygyrch.

Dysgu iaith ychwanegol yn ifanc yw'r amser gorau i ddysgu. Yn Ysgol Dewi Sant, mae ein plant wedi gallu adeiladu eu geirfa yn eu hiaith lafar gartref a'u Cymraeg ar yr un pryd, gan wneud y newid rhwng yr ieithoedd yn ddi-dor. Yn Ysgol Dewi Sant, dechreuodd ein plant gyfathrebu drwy'r Gymraeg o'r diwrnod cyntaf. I ddechrau, cawsant eu trochi yn yr iaith drwy amrywiaeth o gyfarchion, prompts a gorchmynion, a dysgwyd pob un ohonynt drwy weithgareddau hwyliog. Wrth i'n plant symud ymlaen drwy'r ysgol, mae eu geirfa Gymraeg, eu darllen a'u hysgrifennu yn y Gymraeg wedi datblygu.

Ar ôl cwblhau Ysgol Dewi Sant, rydym yn bwriadu parhau ag addysg ein plant drwy gyfrwng y Gymraeg. Bydd ein merched yn mynd i Ysgol Uwchradd Glan Clwyd, lle byddant yn datblygu eu sgiliau ymhellach ac yn cwblhau eu TGAU drwy gyfrwng y Gymraeg. Fel cyn-fyfyriwr sydd wedi mynd drwy'r system hon, gallaf eich sicrhau mai dim ond gwella eich cyfleoedd mae'r iaith yn gwneud. Yn ogystal a hyn, mae'r dewis o swyddi dipyn fwy eang gan fod gennych y ddwy iaith i gynnig.

Yr anrheg o ddwy-ieithrwydd

The gift of bilingualism

Sending your children to learn a new language at three years old can sound like a daunting task, especially if you are from a non-Welsh speaking background. However, from our experience, we can assure you that sending your children to a Welsh-medium primary school is highly rewarding and gives them a set of tools that will put them ahead of their peers in the future.
Living in Wales offers excellent opportunities to all, but being bilingual can make participating in those opportunities more accessible.

Learning an additional language at a young age is the best time to learn. In Ysgol Dewi Sant, our children have been able to build their vocabulary in both their home spoken language and Welsh simultaneously, making the transition between the languages seamless. In Ysgol Dewi Sant, our children began communicating through the language from day one. Initially, they were immersed in the language through an array of greetings, prompts and commands, all learnt through fun activities designed to engage them. As our children have progressed through school, their Welsh vocabulary, reading and writing in Welsh have developed.

After completing Ysgol Dewi Sant, we intend to continue our children's education through the medium of Welsh. Our daughters will go to Ysgol Uwchradd Glan Clwyd, where they will further develop their skills and complete their GCSEs through the medium of Welsh. As a former student who has passed through this system, I can assure you that your chances of progressing further in education are only improved. Additionally, this generates a broader range of jobs you can access due to the ability to communicate through the Welsh language.
