Diolch yn fawr iawn i Sue a Larry, o Heddlu Trafnidiaeth Gogledd Cymru, a ddaeth i siarad â blynyddoedd 5 a 6 am Ddiogelwch Rheilffyrdd. Mae'n hynod bwysig bod plant yn gwybod am beryglon trenau a sut i gadw eu hunain yn ddiogel. Dyma rai o'r pethau pwysig a ddysgodd y plant:

- Mae rhai trenau'n teithio ar gyflymder o dros 90 m.y.a..
- Gall gymryd hyd at 20 cae pêl-droed neu 2 km i drên stopio'n llwyr.
- Ni ellir clywed llawer o drenau o bell gan fod llawer ohonynt yn cael eu pweru gan ddisel.
- Byddwch yn ofalus iawn ar groesfannau rheilffordd

Er y gallant ymddangos yn anghyfleus weithiau, mae'n bwysig cofio eu bod yno i'ch cadw'n ddiogel. Mae'n hynod bwysig stopio, edrych a gwrando wrth groesi croesfan rheilffordd a dim ond ar groesfannau rheilffordd swyddogol y dylech chi groesi.

- Arhoswch oddi ar y traciau

Mae yna reswm da iawn mai dim ond rhai rhannau o'r rheilffordd sydd ar agor i'r cyhoedd. Mae tresmasu ar y traciau neu'r ardaloedd arglawdd o'u cwmpas nid yn unig yn anghyfreithlon, ond gall hefyd arwain at ddamweiniau trychinebus. Gallai cymryd llwybr byr ar draws rheilffordd neu fynd ar ôl eitem rydych wedi'i gollwng dod i ben mewn trychineb, felly peidiwch â'i wneud! Gallech hefyd gael dirwy o £1,000 am dresmasu arnynt!

- Peidiwch byth â mynd yn agos at y llinellau pŵer uwchben

Mae'r drydedd reilen' sy'n rhedeg uwchben y trac yn cario cerrynt trydanol cryf. Mae 25,000 folt yn y llinell bŵer uwchben y trên.

- Cadwch yn ôl o ymyl y platfform

Mae trenau'n aml yn teithio trwy orsafoedd ar gyflymder uchel, ac rydych chi'n rhoi eich hun mewn perygl os ydych chi'n sefyll yn rhy agos at ymyl y platfform. Rhowch sylw i'r marcio sy'n nodi'r pellter sefyll diogel, a, phan fydd eich trên yn cyrraedd, arhoswch nes iddo ddod i stop llwyr cyn croesi'r llinell i fynd ar y trên.

Thank you very much to Sue and Larry, from the North Wales Transport Police, who came to speak to years 5 and 6 about Railway Safety. It is incredibly important that children know the dangers of trains and how to keep themselves safe. Here are some of the important things that the children learnt:

Some trains travel at speeds of over 90 mph.

It can take up to 20 football fields or 2 km for a train to stop completely.

Many trains cannot be heard from long distances as many of them are powered by diesel.

-Be extra cautious at level crossings

While they can sometimes seem inconvenient, it's important to remember that they're there to keep you safe. It is incredibly important to stop, look and listen when crossing a level crossing and you should only ever cross at official level crossings.

-Stay off the tracks

There's a very good reason that only certain sections of the railway are open to the public. Trespassing on the tracks or embankment areas surrounding them is not only illegal, but can also result in disastrous accidents. Taking a short cut across a railway line or chasing after an item you've dropped could end in disaster, so just don't do it! You could also be fined £1,000 for trespassing on them!

-Never go near the overhead power lines

The third rail' that runs above the track carries a strong electrical current. There are 25,000 volts in the powerline above the train. This electricity can jump' outwards too so you don't even need to touch the lines to get an extremely nasty shock. Stay well away at all times.

-Keep back from the platform edge

Trains often travel through stations at high speed, and you're putting yourself at risk if you stand too close to the edge of the platform. Pay attention to the marking that indicate the safe standing distance, and, when your train arrives, wait until it's come to a complete stop before crossing the line to get on board.

Hoffwn eich atgoffa fod angen i'r disgyblion ddod â byrbryd iach i'r ysgol, yn unol â'r cynllun Ysgolion Iach Cymru. Y bwyd a ganiateir yw ffrwythau neu llysiau amrwd. Mae'n bwysig bod y bwyd a ddaw i'r ysgol yn gytbwys ac yn annog arferion bwyta iach.

Byddem yn gwerthfawrogi eich cydweithrediad parhaus wrth i ni weithio gyda'n gilydd i hyrwyddo ffordd iach o fyw i'n plant.

We would like to remind you that pupils need to bring a healthy snack daily into school, in line with the Healthy Schools Wales scheme. The snacks permitted are fruit or raw vegetables. It is important that the food brought to school is balanced and promotes healthy eating habits.

We greatly appreciate your continued cooperation as we work together to promote a healthy lifestyle for our children.

Diolch yn fawr i 'r Gweinidog Owain Davies am ddod i fewn i arwain gwasanaeth i'r disgyblion heddiw! Pawb wedi mwynhau y stori!

Thank you to minister Owain Davies for coming in to give a service to the pupils today! Everyone enjoyed the story!
